The new shares are generally to be offered to the shareholders for subscription (also in the way of indirect subscription pursuant to Section 186, Subsection 5, Sentence 1 of the German Stock Corporation Act (AKTIENGESETZ)). However, the Board of Management is authorized with the consent of the Supervisory Board to exclude shareholders’ subscription rights in the followingcases:

This limit of 10% of the Company's share capital is to include shares (i) that are issued or sold during the period of this authorization with the exclusion of subscription rights under direct or indirect application of Section 186, Subsection 3, Sentence 4 of the German Stock Corporation Act (AKTIENGESETZ), and (ii) that are issued or may be or have to be issued to honor bonds with conversion or option rights/ conversion or option obligations if the bonds are issued with the exclusion of the shareholders' subscription right after this authorization takes effect pursuant to Section 186, Subsection 3, Sentence 4 of the German Stock Corporation Act (AKTIENGESETZ).

The computational part of the sum of shares issued according to this authorization upon exclusion of the shareholders' subscription right in exchange for cash and/or non-cash contributions in the share capital must not exceed 10% in total of the share capital at the time when this authorization takes effect. When determining this limit, shares shall also be taken into account which

- are issued or may be or have to be issued to honor bonds with conversion or option rights/ conversion or option obligations if the bonds are issued with the exclusion of the shareholders' subscription right after this authorization takes effect pursuant to Section 186, Subsection 3, Sentence 4 of the German Stock Corporation Act (AKTIENGESETZ).

The Supervisory Board has the authority to amend the version of the Articles of Incorporation after the complete or partial implementation of the increase in share capital by exercising Approved Capital 2023 and after the elapse of the period of time for which authority was granted.

A repeated minority request for postponement is not permissible for the second proposed resolution.

If the Chairman of the Supervisory Board participates in a meeting or if one of the attending members is in possession of his vote submitted in the manner described in paragraph 3, the above sub-paragraph shall not apply if the number of shareholders' representatives on the Supervisory Board participating in the meeting or participating in the passing of a resolution by submitting their votes in the manner described in paragraph 3 equals the number of employee representatives, or if an imbalance is offset by the abstention from voting of certain Supervisory Board members.

If the second vote also results in an equality of votes, the Chairman of the Supervisory Board shall have an additional casting vote.

Proportionate remuneration for functions on committees requires that the relevant committee has held at least two meetings in discharge of its duties during the respective part of the financial year.
- (6) In addition to remuneration, the members of the Supervisory Board shall be reimbursed for their reasonable expenses and the value-added tax payable on the payments made to them. In addition, any employer contributions for social insurance arising under foreign laws for Supervisory Board activities are paid or reimbursed. The

For calculating the period of notice, neither the day of receiving the notification nor the day of the Shareholders' Meeting are to be counted. The details of registration will be announced along with the invitation in the Federal Gazette (BUNDESANZEIGER).

- (2) Voting rights can be exercised by proxies. Authorization of proxies, revocation of proxy authorization, and proof of proxy authorization vis-à-vis the Company must be furnished in writing or via electronic media ("TEXTFORM"). Facilitation of this procedure can be announced when a Shareholders' Meeting is called. Section 135 of the German Stock Corporation Act (AKTIENGESETZ) remains unaffected. If a shareholder authorizes more than one proxy, the Company can reject one or several of them.
- (3) The Company may appoint proxies to exercise shareholders' voting rights in accordance with their instructions. Article 13, Paragraph 2, Sentences 2 and 3 of the Articles of Incorporation apply to proxy authorization, revocation of proxy authorization and proof of proxy authorization, as well as to voting instructions and amendments to or revocation of voting instructions. If none of the aforementioned is present or none agrees to chair the Meeting, the Chairman of the Meeting shall be elected by the Supervisory Board.
- (2) The Chairman shall preside over the proceedings and determine the order of items to be discussed and the manner of voting.
- (3) The Chairman may set an appropriate time limit with respect to the right of shareholders to speak and ask questions. In particular, at the start of or during the Shareholders' Meeting, he is authorized to set an appropriate time limit for the duration of the entire Shareholders' Meeting, for discussion of individual agenda items and for individual comments or questions. Moreover, the Chairman may decide to end the debate if this is deemed necessary for the proper execution of the Meeting.

Article 16 (§16) Resolutions

Resolutions shall be passed at Shareholders' Meetings by a simple majority of votes cast, unless otherwise required by mandatory stipulations of the German Stock Corporation Act (AKTIENGESETZ) or by the Articles of Incorporation. If the German Stock Corporation Act (AKTIENGESETZ) also requires that a resolution be passed by a majority of the share capital represented at the Meeting, a simple majority of the capital represented shall suffice to the extent permitted by applicable law. The dismissal of a member of the Supervisory Board elected by the shareholders requires a majority of at least three quarters of the votes cast.

Article 19 (§19) Interim Distribution of Unappropriated Profit

Following the end of each financial year, the Board of Management – with the consent of the Supervisory Board – may make an interim payment to the shareholders with respect to the foreseeable unappropriated profit if the preliminary financial statements for the previous financial year indicate a profit for the year. The interim payment may not exceed one half of the unappropriated profit for the year remaining after deducting the amounts which are required to be transferred to retained earnings in accordance with applicable law or the Articles of Incorporation. Furthermore, the interim payment shall not exceed one half of the previous year's unappropriated profit.
