

## Instruction

To be able to access the "View my pension" app during your passive partial retirement phase, please proceed as follows:

Scan the following QR code with your smartphone, then you will be taken directly to the page shown below:

Or type Sie URL <https://login.mercedes-benz.com/password/activate-retiree> into your internet browser and follow the instructions shown there.

The screenshot shows the Mercedes-Benz IAM (Identity & Access Management) activation page for retirees. The page title is "People In retirement, with a commitment to rehire, or who have left the company but are still entitled to use the Internal employee business - activating a user account". The page includes a navigation menu on the left with options like Password, PingID-MFA, Entra ID, MS Windows / AD, Mainframe, and SAP. The main content area contains a form with fields for "Access ID\*", "Date of birth", and a CAPTCHA image. A "Next >>" button is located below the CAPTCHA. A note at the bottom provides instructions for different retirement scenarios. A grey arrow points to the "Help" link in the top right corner of the browser window.

Identity & Access Management

People In retirement, with a commitment to rehire, or who have left the company but are still entitled to use the Internal employee business - activating a user account

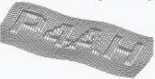

In order to be able to continue accessing the online internal employee business and other digital services offered by the Mercedes-Benz Group as a pensioner, as an employee in the passive stage of part-time, phased, early retirement, an early retiree, or a former employee with entitlement to use the internal employee business, you must first activate your user account. If, at any time, you no longer require access, you can also deactivate your account again.

To activate your user name, please enter the following data:

Access ID\*

Date of birth

Enter characters from the image. Reload image

\* Note:

- As a retiree in the Mercedes-Benz pension service, please use as the access ID the last 6 digits of your retiree ID (example: 65123456 - entry as 123456).
- as EHG retiree, specify your (maximally 6-digit) service number (example: 000-123456-00 - entry as 123456).
- as pensioner in the passive old age partial retirement phase (Mitarbeiter in der passiven Altersteilzeitphase), specify your personal ID (without check digit).
- as an employee in early retirement specify your personal ID (without check digit).
- former employee with entitlement to use the internal employee business - your previous personnel ID number (without the check number).
- As a widow or widower in the Mercedes-Benz pension service, please use as the access ID the last 6 digits of the retiree ID of your deceased spouse (example: 65123456 - entry as 123456). Please enter your own date of birth.

If you have difficulties activating the user, click on "Help" at the top right (see arrow).

When you register, you will receive a user ID for the Mercedes-Benz Extranet and then you will assign an individual password.

After you have successfully activated the user account, the second phase can begin:

1. Please scan the following QR code with your smartphone:

Or type the URL <https://group.mercedes-benz.com/enter/de> into your internet browser.

2. Then select the menu item "Occupational pension scheme".
3. To access the app, click on "View my pension plan" and log in to the social intranet with your user ID and password.

### Occupational pension scheme

Would you like to get an overview of the current status of your company pension scheme? The following interactive portals are available for this purpose.

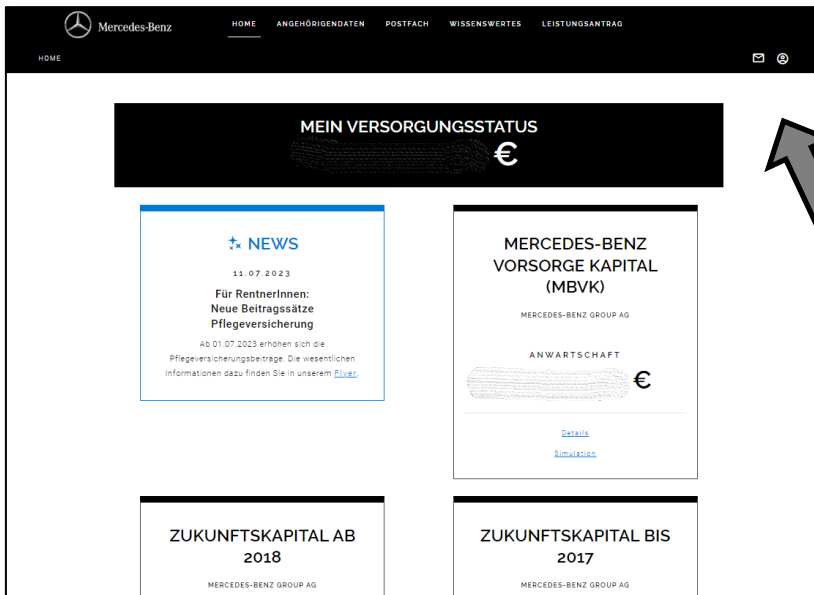

[View my pension plan](#)  : Here you will find a detailed overview of the company pension scheme promised directly by the employer. Information as well as downloads on the different care models and a simulation tool are available. There you can make direct enquiries about your company pension scheme.

[My pension portal](#)  \*): This portal provides you with a rough overview of your entire company pension scheme. In addition to the pension scheme promised directly by the employer, you will also find the pension scheme financed by external providers (e.g. deferred compensation). You can also choose from simulation options.

\*) Access is only available to employees with an existing employment relationship.

Do you have any questions? Then we have provided you [here](#) with all the important contacts for company pension schemes, partial retirement and the pension service. In addition, relatives can find assistance there to clarify matters in the event of the death of (former) employees.

4. After you enter your login details, your pension overview will be displayed in the “View my pension plan” app:

In the pension overview, go to button at the top right (see arrow) and select “Mein Profil”

5. Next, click on “E-Mail ändern”

6. Please select “yes” under “Email dispatch activated”

A screenshot of the 'E-Mail ändern' form. At the top, there is a blue notification bar with an information icon and the text 'Sie haben aktuell keine gültige E-Mail-Adresse hinterlegt.' and a link 'E-Mail ändern'. Below this, the section 'Email dispatch activated' has two radio buttons: 'Yes' (selected) and 'No'. There are two input fields for 'Email \*' and 'Repeat email \*'. At the bottom left, there is a black button labeled 'CHANGE'.

7. Now enter your private email address and then click "change". After that, you will see a green message that the email address has been successfully changed.
