Total number of shares and voting rights

At the time of convening the Annual Meeting of the Shareholders, the Company's share capital is divided into 1,067,646,507 shares, each of which confers one vote to its holder. The Company holds no treasury shares at said time.

Conditions for attending the Annual Meeting of the Shareholders and for exercising voting rights

Shareholders are entitled to attend the Annual Meeting and to exercise their voting rights if they are listed as shareholders in the Company's share register on the day of the Annual Meeting and have notified the Company of their intention to attend the Annual Meeting so that notification is received by the Company **at the latest by 12:00 p.m. (midnight) on April 5, 2013.**

Shareholders who are listed as shareholders in the share register can notify the shareholder service of Daimler AG of their intention to attend the Annual Meeting at:

Daimler
Aktionärsservice
Postfach 1460
61365 Friedrichsdorf, Germany
Fax No.: +49 (0)69 2222 34282
E-mail: daimler.service@rsgmbh.com

Shares will not be blocked as a result of shareholders notifying their intention to attend the Annual Meeting. Shareholders can dispose of their shares also after giving notification. The number of shares held by each shareholder as entered in the share register on the day of the Annual Meeting is decisive for attending and casting votes. Said number of shares will correspond to the number of shares as at the registration deadline of 12:00 p.m. (midnight) on April 5, 2013, since changes to the share register cannot be made for technical reasons from the end of April 5, 2013 up to the end of the Annual Meeting (registration stop). The technical record date is, therefore, the end of April 5, 2013.

We would ask you to appreciate that due to the large number of expected attendees, based on previous experience, we can generally provide each shareholder with a maximum of two admission tickets for our Annual Meeting.

Only shareholders entitled to attend the Annual Meeting and authorized proxies will receive admission tickets and pads of voting cards. Unlike the notification, however, the admission ticket is not a condition for attending the Annual Meeting; it only simplifies procedures at the entrance desks for granting access to the Annual Meeting.

or as of March 12, 2013 by using the access-protected e-service for shareholders on the Internet at: <https://register.daimler.com>.

Details of the e-service for shareholders

The convocation of the Annual Meeting on April 10, 2013 is sent by regular mail to all shareholders entered in the share register who have not yet agreed to have it sent by e-mail. The registration data for our e-service for shareholders, i. e., the shareholder's number and the individual access number, can be found on the reverse side of the letter of invitation sent by regular mail. With this data, shareholders using the e-service for shareholders can – as of March 12, 2013 – give notification of their intention to attend the Annual Meeting, order admission tickets, in the context of ordering admission tickets authorize a third party as proxy, or authorize and instruct the voting proxies appointed by the Company, cast their vote by absentee voting without attending the Annual Meeting, and withdraw or amend absentee votes and authorizations and instructions for the Company proxies if such votes are previously cast or authorized via the e-service for shareholders. Once again, shareholders who use the e-service for shareholders will have the possibility to print out their admission tickets themselves.

Shareholders who have agreed to have the Annual Meeting documentation sent by e-mail will receive the e-mail with the convocation as an attached pdf file, as well as a link to the e-service for shareholders, at the e-mail address they have specified.

Users of the e-service for shareholders who have already registered for the service can use their self-issued User ID and password.

Please note that requests to speak, questions, motions and election proposals by shareholders for the Annual Meeting cannot be accepted/submitted, nor objections to resolutions passed at the Annual Meeting lodged, via the e-service for shareholders.

Absentee voting procedure

Shareholders who are listed as shareholders in the share register on the day of the Annual Meeting can cast absentee votes without attending the Annual Meeting. Timely notification by the shareholder of its intention to attend the Annual Meeting is indispensable also for this way of voting.

Absentee votes can be sent to the Company in writing or via electronic media ("Textform") at the address, fax number or e-mail address stated above in the section headed "Conditions for attending the Annual Meeting of the Shareholders and for exercising voting rights" for the notification of the intention to attend the Annual Meeting by 12:00 p.m. (midnight) on April 5, 2013 (receipt); absentee votes timely received in such a manner can also be withdrawn or amended in advance of the Annual Meeting using these communication channels when received by the Company by 12:00 p.m. (midnight) on April 9, 2013.

Absentee votes can also be cast via the e-service for shareholders. Shareholders who timely notify the Company via the e-service for shareholders of their intention to attend the Annual Meeting may cast, withdraw or amend their absentee votes by this method until shortly before the start of voting on the day of the Annual Meeting, in any case until 12:00 a.m. (noon).

Shareholders not using the e-service for shareholders to cast their absentee votes are requested to use the reply form enclosed with the letter of invitation.

Personal attendance in the Annual Meeting by a shareholder or a proxy will automatically be deemed a withdrawal of any absentee votes previously cast.

Absentee votes on item 2 of the Agenda shall also count in the voting on the adjusted proposal for the appropriation of profits as a result of a change in the number of no par-value shares entitled to dividends for the preceding fiscal year 2012. If an individual vote is taken on an Agenda item, a vote on this item in its entirety will count as a corresponding vote on each point of the individual vote.

Please note that it is not possible – even via the e-service for shareholders – to cast absentee votes for votes, if any, which are taken on counter motions or election proposals that are only announced in the Annual Meeting or on any other motions, including procedural motions, that were not communicated in advance of the Annual Meeting. Nor can requests to speak, questions, motions or election proposals be accepted or submitted, or objections lodged against resolutions, by absentee voting in advance of or during the Annual Meeting.

Authorized banks, shareholders' associations and equivalent persons or institutions as defined by Section 135, Subsections 8 and 10 of the German Stock Corporation Act (Aktiengesetz) may also vote by absentee voting.

Procedure for proxy voting

Shareholders listed in the share register on the day of the Annual Meeting also have the option of voting by proxy, for example by a bank or a shareholders' association or the voting proxies appointed by the Company. In this case, too, timely notification of their intention to attend the Annual Meeting is to be ensured by the shareholder or a proxy.

If a shareholder authorizes more than one proxy, the Company may reject one or more of those proxies.

Proxies

If neither a bank nor a shareholders' association nor another equivalent person or institution as defined by Section 135, Subsections 8 and 10 of the German Stock Corporation Act (Aktiengesetz) is authorized as a proxy, the proxy authorization and any revocation of such authorization are to be communicated either (i) in writing or via electronic media ("Textform") to the address, fax number or e-mail address stated above in the section "Conditions for attending the Annual Meeting of the Shareholders and for exercising voting rights" for the notification of the intention to attend the Annual Meeting, or (ii) in writing or via electronic media ("Textform") to the proxy. In the latter case, the Company must be furnished with proof in writing or via electronic media ("Textform").

The proof of proxy authorization or any revocation of proxy authorization vis-à-vis the Company can be communicated to the Company at the address, fax number or e-mail address specified above in the section "Conditions for attending the Annual Meeting of the Shareholders and for exercising voting rights" for the notification of the intention to attend the Annual Meeting. On the day of the Annual Meeting, the proof can also be provided at the entrance and exit desks.

The reply form enclosed with the letter of invitation can also be used for authorizing a proxy and providing proof thereof.

Proxy authorization can also be granted in the context of ordering admission tickets via the e-service for shareholders, provided that the shareholder has timely notified the Company of its intention to attend the Annual Meeting via the e-service for shareholders. Proxy authorizations can then be granted by this same method until shortly before the start of voting on the day of the Annual Meeting, in any case until 12:00 a.m. (noon). Proxy authorizations granted via the e-service for shareholders can also be revoked by the same method until shortly before the start of voting on the day of the Annual Meeting, in any case until 12:00 a.m. (noon).

Personal attendance by a shareholder will automatically be deemed a revocation of proxy authorization previously granted to a third party.

The proxy authorization cards included in the pads of voting cards can also be used for granting proxy authorization at the Annual Meeting to other shareholders or shareholder representatives attending the Annual Meeting, or the voting proxies appointed by the Company.

Statutory provisions, in particular Section 135 of the German Stock Corporation Act (Aktiengesetz), apply to the authorization and revocation of proxy authorizations of **banks, shareholders' associations** or equivalent persons or institutions as defined by Section 135, Subsections 8 and 10 of the German Stock Corporation Act (Aktiengesetz), as well as to the proof of such authorization or revocation. Please also observe any relevant regulations of the banks, shareholders' associations or other equivalent persons or institutions.

If persons or institutions mentioned in the preceding paragraph are listed in the share register, they can exercise the voting rights for shares they do not own only if they are authorized to do so by the actual beneficial owner of the shares.

Voting by official Company proxies

Shareholders have the possibility to authorize proxies appointed by the Company to vote in accordance with their instructions at the Annual Meeting. The authorization of proxies, the issuing of voting instructions and any amendments of such, the revocation of proxy authorization must be effected in writing or via electronic media ("Textform"); they may be made by the following methods only:

They can be sent to the Company at the address, fax number or e-mail address specified above in the section headed "Conditions for attending the Annual Meeting of the Shareholders and for exercising voting rights" for the notification of the intention to attend the Annual Meeting by 12:00 p.m. (midnight) on April 5, 2013 (receipt at the latest; proxy authorizations and voting instructions timely received that way can also be withdrawn or amended in advance of the Annual Meeting using these same methods when received by the Company by 12:00 p.m. (midnight) on April 9, 2013.

Proxy authorizations and voting instructions to Company proxies can also be issued via the e-service for shareholders. Shareholders who timely notify the Company via the e-service for shareholders of their intention to attend the Annual Meeting can issue, revoke or amend proxy authorizations and voting instructions to Company proxies by the same method until shortly before the start of voting on the day of the Annual Meeting, in any case until 12:00 a.m. (noon).

Shareholders not using the e-service for shareholders to grant proxy authorizations and issue voting instructions are requested to use the reply form enclosed with the letter of invitation.

On the day of the Annual Meeting, proxy authorization and voting instructions for the Company proxies as well as amendments thereto or revocation thereof can be effected in writing or via electronic media ("Textform") also at the entrance and exit desks at the Annual Meeting.

Personal attendance by a shareholder or an authorized proxy at the Annual Meeting will automatically be deemed a revocation of proxy authorization previously granted to the Company's voting proxies.

The Company's voting proxies will exercise shareholders' voting rights in accordance with their instructions; even when appointed as proxies, they may only exercise voting rights if express instructions have been given on each item of the Agenda and/or on any countermotions and election proposals made accessible before the Annual Meeting.

Even when authorized, the Company's voting proxies may not vote on any countermotions or election proposals that are only announced in the Annual Meeting or on any other motions not communicated in advance of the Annual Meeting. Neither in advance of nor during the Annual Meeting may they take receipt of any instructions relating to procedural motions, requests to speak, asking questions or bringing forward motions or election proposals, or the lodging of objections against resolutions by the Annual Meeting.

Instruction to the Company's voting proxies on item 2 of the Agenda will also apply in the voting of the adjusted proposal for the appropriation of profits as a result of a change in the number of no par-value shares entitled to dividends for the preceding fiscal year 2012. If an individual vote is taken on an item on the Agenda, an instruction on this item in its entirety will be deemed instruction on each point of the individual vote.
